Fatemeh Shojaei

Front-End Developer

📞 +989129567441 | ✉ fatemeeshojaeii@gmail.com | LinkedIn | Github | shojaeifatemeh.com

Summary

Front-End Developer with **7+ years of experience** in building **responsive, interactive, and high-performance** web applications. Proficient in **React.js, Next.js, TypeScript, and Tailwind CSS**, with expertise in **state management (Redux, React Query)** and **PWA development**. Skilled in **SEO optimization, SSR, and API integration**, delivering scalable and user-friendly solutions. Passionate about **clean code, performance optimization, and seamless user experiences**.

Experience

Manizan — April 2025 - Now
Front-end Developer (Freelance) — Iran, Tehran

Dairy product manufacturer

Developed and maintained a modern, **SEO-friendly** website using **Next.js** with **Server-Side Rendering (SSR)**, aimed at effectively introducing and promoting a wide range of dairy products to customers and partners.

Created an interactive and responsive user interface that highlights product categories, nutritional information, and brand values, ensuring an engaging and informative browsing experience.

Integrated dynamic content using **REST APIs** to keep product listings, certifications, and news updates current and easily manageable through a CMS.

Focused on accessibility and usability to support the company's mission of transparency, quality, and customer trust in the dairy industry.

Tech & Tools: JavaScript / TypeScript / Next.js / React.js / Strapi / Node.js / PostgreSQL / REST APIs / Git

Hanus — March 2025 - April 2025
Front-end Developer (Freelance) — Iran, Tehran

Art Exam Preparation & Online Courses Platform

Designed and developed a **responsive**, interactive, and **SEO-optimized** front-end platform using **Next.js** with **Server-Side Rendering (SSR)**, ensuring fast load times and improved visibility for search engines.

Implemented key features for **user authentication** and class enrollment, allowing users to explore teachers, check available classes, and securely purchase courses through a streamlined registration and payment flow.

Integrated **RESTful APIs** to support real-time data updates, including class availability, teacher profiles, and course details, enhancing user engagement.

Tech & Tools: JavaScript / TypeScript / Next.js / React.js / Strapi / Node.js / PostgreSQL / REST APIs / Git
